PLOT PLAN (site as viewed from above)

- 1) Make a drawing of your project.
- 2) Show distances from centerline of road(s), all lotlines, and ordinary high water mark if applicable.
- 3) Show location of the septic system and replacement system area if applicable.
- 4) If returning application via email, it is okay to upload your drawing and attach as a separate document.

****Applications without a plot plan WILL BE RETURNED****

You are responsible for complying with State and Federal laws concerning construction near, or on, wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the Department of Natural Resources Wetland Identification Web Page (<http://dnr.wi.gov/topic/wetlands/locating.html>) or contact a Department of Natural Resources Service Center.

The undersigned hereby makes application for the work described and located as shown herein. The undersigned agrees that all such work shall be done in accordance with all the requirements of the Zoning Ordinance and all other applicable ordinances of Marquette County and all applicable laws, codes and regulations of the State of Wisconsin, and states that the above information is true to the best of his or her knowledge. Issuance of this permit is not to be construed as legal responsibility for the construction on the part of Marquette County or its staff. Pursuant to Marquette County Ordinance Chapter 61, Section 6.0(F), by applying for this permit the undersigned grants permission for the Marquette County Zoning Department, its agents or assigns, to enter upon the premises and inspect the work to determine compliance with the zoning ordinances and the terms of this permit.
