

# Marquette County Sheriff's Office Shooting Range

## 393.1 POLICY

The Sheriff's Office Shooting Range is located on the property owned by Marquette County at N4994 STH 22 in the Town of Shields. The property is primarily used by the Marquette County Highway Office and restrictions are imposed by the County of Marquette on the Sheriff's Office use of the Shooting Range as numerated below:

- (a) The Sheriff's Office can have up to six (6) firearms training sessions a year. Each session is two training days.
- (b) Prior to any scheduled Sheriff's Office training sessions the surrounding property owners shall be notified before use. Notification will be made by the Sheriff's Office RAVE ALERT SYSTEM.
- (c) During the months of October and November the Sheriff's Office will not schedule any firearms training. Weapon maintenance and special qualifications maybe performed.
- (d) The Sheriff's Office will not allow any public use of the Shooting Range.
- (e) The Shooting Range will not be used for any Non-Law Enforcement purposes.
- (f) The Sheriff's Office can use the shooting range for firearms testing, qualification of new hire and for any re-certification sessions as needed.
- (g) The Sheriff's Office conducts the firearms training sessions for the Law Enforcement agencies within Marquette County.
- (h) No deputy shall utilize the shooting range without a Certified Firearms Instructor or Armorer present.
