Discussion regarding cost of new ambulance- total cost for ambulance around \$240,000 chassis and box all brand new.

10. Chairperson Nigbor led a discussion regarding an advisory group/ad hoc committee for the continuing discussion on how to handle EMS. Consensus was to keep the topic within the Judicial & Public Safety Committee. Explore what other counties and agencies are doing for options with scheduling, staffing, etc. Rob noted the scheduling is in the union contract and cannot be changed. Overtime discussion. Report attempted initiatives and their results in order to narrow down options. Rob noted he has been dealing with 4 open positions since March, which leads to overtime. The employee out on FMLA returns soon, new hires are onboarding, which will help with overtime come December. Supervisor Nigbor verified there was a response to a call in Neshkoro/Crystal Lake area where an ambulance responded from Plainfield while our ambulance was on standby in another county. Rob confirmed.
11. Supervisor Bornhoeft presented an analysis on what it costs to run the jail based on information compiled through open record requests. Adding salaries, maintenance, meals, healthcare, mileage, transporting, reporting 2024 jail costs would be approximately \$1.322 million or \$41,000+ per prisoner/year. Supervisor Bornhoeft noted he did not factor in cost of vehicles or revenues. Supervisor Bornhoeft wanted options to be discussed in a similar fashion to EMS. Sheriff Konrath shared his own statistics, factoring revenue and a different amount for salaries and transports, coming up with the cost being \$692,494.24 and \$59.28 per inmate cost per day. Sheriff Konrath reported the additional deputies in 2026 is due to separation, not having federal inmates. Discussion regarding transport number that was included in Supervisor Bornhoeft's data due to the inclusion of patrol and required court transports, which are different than jail transports. Sheriff Konrath reported he intends on having a higher inmate population without increasing staff in the jail. Discussion followed.
