NARRATIVE

Why are you requesting the rezone? Please include reasons you feel it is justified. A separate attachment may be utilized if you need more space.

The property was historically utilized in connection with a Community Based Residential Facility (CBRF) and is presently zoned CM-B. The CBRF has permanently ceased operation in 2021 and approximately 4,000 square feet of the former structure has been removed. Approximately 2,000 square feet of the structure remains. The property is presently used as a single-family residence, with incidental use of a portion of the remaining structure as a one-room professional office. The requested rezoning from CM-B to R-1 is intended to reflect the property's present residential use and character.

To the Town of Montello:

Joshua & Teale Loring, N3847 ST RD 22, Montello, WI 53949, are requesting a rezoning from Commercial District-Business (CM-B) to a Residential District (R-1) for the following lands, all in Section 16, T15N R10E, Town of Montello, Marquette County, WI:

Rezone 2.43 acres to R-1 described as Lot One(1) of Certified Survey Map No. 3863, recorded July 18, 2022, as Document No. 329549, totaling 2.43 acres for tax parcel 012-00930-0000. Property Address: N3847 State Rd 22

Under Section 59.69 (5)(e)(3), Wisconsin Statutes, "If a Town affected by a proposed amendment disapproves of the proposed amendment, the Town Board of such town may file a certified copy of the resolution adopted by such board disapproving of the petition with the agency prior to, at or within 10 days after the public hearing."

A resolution of disapproval, properly certified and filed within the time limit specified by statutes, is binding on the Zoning Committee. If such a resolution is filed, the Committee has two options: (1) to recommend disapproval, or (2) to recommend approval with change, that is with modification to the original petition.

Please note that although we encourage Townships to participate in public hearings, and welcome their comments, only a resolution as described above is binding on the County Planning and Zoning Committee. If no such resolution is filed, and no other response is received, the Committee will assume that the Town Board has no objection to the proposed zoning change.
